## Dear Parents, Students and Staff,

We have reached the end of another year of school and I know that staff, students and parents are looking forward to a very well earned break. This has been an excellent year at Hampton Park Primary School despite some challenges and some upheaval. The whole school community can be proud of the way in which you have handled everything that this year has brought your way.

A lot has happened this year and there have been many changes. One of those changes for several of our staff has been the adventure into parenthood. I would like to offer my congratulations to Mr and Mrs Ker who welcomed their son Lucas on the 15<sup>th</sup> of November weighing 3.1kg.

On a personal note I would like to take this opportunity to express my heartfelt gratitude to the students, parents and staff of Hampton Park Primary School for the generosity of spirit that you have shown me in my time here. You welcomed me openly and continued to engage with me and the school and I truly appreciate it. It has been an enjoyable six months, however at the close of this year I will be returning to my substantive position at another school. You may be aware that the process to appoint a permanent Principal for Hampton Park Primary has already commenced and the successfully appointed Principal will be joining you at the commencement of the 2018 school year.

I would like to wish you all a safe and happy holiday and all the best for 2018.

## Mandarin News Update

The year has flown by so quickly. In our Mandarin classes this semester we have worked hard and I believe we have made some significant progress in knowing the language a little more. I would like to recognise the great effort of the excellent helpers on Technology Day and the tremendous support from the school community. It was a fun-filled day for us. With the money raised we could run another cooking GFT in week 8. Students in middle and senior schools delightedly tucked into stir-fried noodles whilst those in junior school enjoyed eating the freshly cooked prawn/vegetable crackers. We literally cooked up a storm! It was a reward in itself to see how much students enjoyed participating in the activity. Hopefully students would be more motivated to put greater effort into language learning next year! Until then have a blessed Christmas and happy New Year!

It has been an enjoyable six months, however at the close of this year I will be returning to my substantive position at another school. You may be aware that the process to appoint a permanent Principal for Hampton Park Primary has already commenced and the successfully appointed Principal will be joining you at the commencement of the 2018 school year.

I would like to wish you all a safe and happy holiday and all the best for 2018.

## Mandarin News Update

The year has flown by so quickly. In our Mandarin classes this semester we have worked hard and I believe we have made some significant progress in knowing the language a little more. I would like to recognise the great effort of the excellent helpers on Technology Day and the tremendous support from the school community. It was a fun-filled day for us. With the money raised we could run another cooking GFT in week 8. Students in middle and senior schools delightedly tucked into stir-fried noodles whilst those in junior school enjoyed eating the freshly cooked prawn/vegetable crackers. We literally cooked up a storm! It was a reward in itself to see how much students enjoyed participating in the activity. Hopefully students would be more motivated to put greater effort into language learning next year! Until then have a blessed Christmas and happy New Year!

## Community News

We are pleased and excited to inform you that we'll be producing a new eNewsletter with Schoolzine. The move to this new format will enable us to communicate with the school community across multiple channels. It will promote and enhance our engagement with parents, students and the wider community.

We believe you'll find the eNewsletter highly engaging, as it will provide us with a more efficient and effective means of connecting with you. The new format will allow the inclusion of video, photo galleries, online bookings, mobile app, feedback forms, calendars and so much more.

The newsletter also has a sponsorship section which provides a great opportunity for local businesses to engage with our parent community. If you would like to be a part of this, please contact Schoolzine.

## Dear Parents, Students and Staff,

We have reached the end of another year of school and I know that staff, students and parents are looking forward to a very well earned break. This has been an excellent year at Hampton Park Primary School despite some challenges and some upheaval. The whole school community can be proud of the way in which you have handled everything that this year has brought your way.

A lot has happened this year and there have been many changes. One of those changes for several of our staff has been the adventure into parenthood. I would like to offer my congratulations to Mr and Mrs Ker who welcomed their son Lucas on the 15<sup>th</sup> of November weighing 3.1kg.

On a personal note I would like to take this opportunity to express my heartfelt gratitude to the students, parents and staff of Hampton Park Primary School for the generosity of spirit that you have shown me in my time here. You welcomed me openly and continued to engage with me and the school and I truly appreciate it. It has been an enjoyable six months, however at the close of this year I will be returning to my substantive position at another school. You may be aware that the process to appoint a permanent Principal for Hampton Park Primary has already commenced and the successfully appointed Principal will be joining you at the commencement of the 2018 school year.
