Hamersley Avenue, Morley WA 6062
Phone: (08) 9276 3044

Dear Parents, Students and Staff,

It was great to acknowledge the award winners today at our assembly hosted by Cluster 4 who did a fantastic rendition of Down Under as well exhibiting their reading skills when presenting.

Our new school sign at the Kiss and Drive entry has been installed today and looks fantastic apart from part of the sign being the incorrect colour. We are having this rectified so don't be alarmed by the purple strip, it will soon be replaced by one in blue to match our school colours.

The area in this photo is located outside of the Clusters Learning Block. It is not used at the moment and as you can see looks quite ugly. We are looking at developing the area and transforming it into an area to use our outdoor kitchen, with an accompanying garden as well as using it as a place for students to read and work in small groups.

Our first step will be to level the area and put in some form of paving so our outdoor kitchen can be wheeled out and be a part of the garden. We have sought approval to do this as a community project, meaning we can seek donations of time and materials or seek local trades to quote for the job. If you think you may be able to help, please contact the front office to register your interest.

Student Safety at Drop Off and Pick Up Time

I have received several reports of concern regarding cars travelling too fast in our school zone before and after school while students are travelling to and from school. Due to our inability to 'police' this as a school, we have made contact with the local rangers who will be attending where possible to monitor this situation. Secondly, the school, in partnership with the P & C, is putting together an application for the provision of a school crossing guard on Beechboro Rd after receiving communication from parents regarding their concern for students crossing the busy road.

Kindy Enrolments

We are now taking Kindy enrolments for 2018. The earlier we receive our enrolments the easier it makes it for the school to plan for class sizes and associated staffing. Enrolments for Kindergarten close on **Friday 21 July**. Once we have confirmed enrolments, the parents of new students will be invited to an event to meet staff and find out more about the school and the Kindy program.

Please spread the word to your friends in family in the area so we can be as prepared as possible for students starting their first year of school. To enrol, contact our friendly office staff or fill out the enrolment form via our website.

I'm looking forward to the long weekend, camping with the family. I hope you all enjoy the extra day and get to spend some quality time with family and friends.

Regards,

Phil Springett - Principal

Important Dates

5 th June	Public Holiday(WA Day)
9 th June	Yr 6 HSHS Science
9 th June	Eagles Cup (away)
14 th June	C3 Assembly

Fidget Spinners

Could we please ask all parents to discourage students bringing 'Fidget Spinners' into school please. We have had a considerable amount of issues regarding these and it is best for all concerned that they do not come to school with the students.

Lapathon

Our Lapathon, originally scheduled for this Friday has been postponed until Term 3 to allow for extra planning time for the P & C.

Harmony Day

We still have a few containers in the staffroom from Harmony day that still need to be collected.

Eagles Cup - Game 3 v INGLEWOOD

RESULTS

AFL: Hampton def Inglewood

NETBALL: A Hampton def Inglewood. B. Hampton def Inglewood

SOCCER: A Hampton def by Inglewood. B. Hampton def by Inglewood

BYE this week. Next game at Mt Lawley.

Match Day Report

The game started in the usual way for Hampton with EMan deftly utilising his size and skill to tap the ball into the path of a fast moving Josh who pumped the ball forward, the Inglewood backline repelled this attack but eventually after repeated efforts James "junkyard dog" penetrated the defence to pass the footy to J Rad who coolly slotted his 8th goal for the season so far.

Hampton finished the first half leading by 6 goals, Inglewood were fighting hard but found it hard to score. Not sure what the 1/2 time oranges did but Inglewood came out a team possessed at banged on 5 quick goals, alarm bells were ringing! A ripping 3/4 time address gave Hampton the spark required for the gripping last 1/4. The TEAM tackled their way back into the game, Inglewood players second guessed going for the ball and at the final siren Hampton had recorded their 3rd victory. All players filled their role, reset, rewired and replumbed (sorry Ross the boss Lyon) when required. For me JRad, Josh, Junkyard and KDen were B.O.G.

Hampton Park Netball News

As you can see from this photo, we have some very dedicated netballers!! Eyes only on the ball - well done Nicolle and Zoe!!

We had two very exciting games on the weekend. Team 3 all enjoyed a sleep in last week with a bye. Team 2 had a very hard battle and managed to come out the winners over Shooters. Team 1 unfortunately lost by a couple of goals to the top team in a really tough game, but played their best right to the last whistle. Congratulations girls, I am very proud of you all.

Community Notices

Hampton Park Helping Hands

We are currently collecting broken crayons and empty mint tins, if you have any that you no longer need we would love to upcycle them.

The children created a game called Bounce Off which involves bouncing a ping pong ball into different shapes made from blocks, each shape has a value and the winner is the person with the most points at the end of 3 rounds.

This week we will be doing lots of cooking including making our own bread and designing our own chocolates. These ideas have all come from children's suggestions.

URSTRONG

THE LANGUAGE OF FRIENDSHIP

Internationally-recognized friendship programme that empowers tweens with the skills, language, and self-confidence to be better friends and develop healthier relationships.

Kate Walton, Licensed URSTRONG Presenter, is excited to be working with the families of Kyilla Primary School and the wider community! Through interactive parent and child activities, parents will learn strategies to help their child put out Friendship Fires®, how to put a voice to their feelings, and the best ways to support their child through unhealthy friendships.

Tuesday 20 June 2017
