Dear Parents, Students and Staff,

Late last week I received some feedback from a member of the public who made the effort to comment on the respectful nature of the Hampton Park Primary School students that she encountered while in the area on holidays. This information adds to what we already know about our students and their levels of respect and general positive attitude as instilled by the values.

Important Dates

23 rd June	Winter Carnival
27 th June	Reports home
28 th June	R9 Assembly
28 th June	Cross Country
30 th June	Last day of Term 3

This week we received very exciting news that we were successful in our application in the Western Power Circuit Breakers competition in which the prize is two 3D printers which will complement our Digital Technologies focus and STEAM club. A big thank you to Mrs Salleo who put together the successful application. Part of the prize is training on the use of the printers which will help us make the most out of them with our students.

It is that time of year where there are many viruses and other ailments in the community. We have had a large increase in students attending the sick bay over the last week. If your child is too unwell to attend school, please keep them home to avoid the spread of colds and flus and to allow a quick recovery.

Student reports will go home next week and will give a good snapshot of the progress so far this year. I encourage you to sit down with your child(ren) and discuss the many positives as well as some things to work on as the year progresses. As well as the academic area of progress, paying attention to the Attitudes, Behaviour and Effort indicators also give good insight into individual student's application to learning. Grades aside, trying your best to be your best is the message that I give to students whenever I get the chance.

Next week is full of events to finish off, what has been a very productive term including the Room 9 assembly and faction Cross-Country. Good luck to students participating in this week's Winter Carnival. I look forward to watching the teams in action.

Regards,
Phil Springett – Principal

Eagles Cup Results

We played Hillcrest last Friday. The teams again displayed some great sporting skills and sportsmanship.

Football - def Hillcrest

Soccer A and B both lost 0-1

Netball A and B both lost.....but with much improved score lines, it is great to see the improvement in the team as they play and train regularly.

Our last game is against Inglewood at Hampton on the last day of term!!! What a great way to finish off a busy sporting term.

Faction Cross Country

Good Samaritan Drive

As part of our community involvement Hampton Park will be collecting donations for Good Sammy's. If you have any unwanted clothing, blankets, towels or household goods please send them to school between the 26th June and 28th June. We will not accept any goods after that date. We hope you can assist in this very worthy cause because the Good Sammy's do so much for our community and they need our help.

Thank you Glynis Cardy
