## Dear Parents, Students and Staff,

As we head towards the end of the term we still have some special activities on the horizon. On Wednesday or Thursday this week our students will be attending an incursion run by Scitech. This incursion is an excellent showcase of Science processes and links directly to the strands we are addressing in classes.

### **Important Dates**

31 <sup>st</sup> Aug	Scitech Incursion
1 <sup>st</sup> Sept	Scitech Incursion
6 <sup>th</sup> Sept	Jumps & Throws
8 <sup>th</sup> Sept	Athletics Carnival
22 <sup>nd</sup> Sept	Last day of Term

Next week is our school faction carnival. This is always a fantastic day. Our focus is on enthusiasm and participation and we encourage you to come down and support your kids. The P & C will be running a cake stall on the day. If you are able to help please contact a member of the P & C. Faction shirts are also for sale in the uniform shop. Our lovely uniform shop volunteers will be around early next week to assist any parents who may want to purchase a school faction shirt for their child.

## Building Works on School Grounds

Later this week and early next week we will be having some new footpaths laid on the Hamersley Place side of the school. These footpaths will facilitate easier access for student's bikes and also for parents with prams coming in on that side of the school. We are also having a new bike storage container placed on that side of the grounds so that students won't have to walk their bikes around the buildings to get to the bike racks.

This won't affect any access during the process, however please be aware that these works will be happening and certain areas will be fenced off for safety until they are completed.

## Parent Meetings

Parents are always welcome to come and discuss anything they need support or clarification on. If you need to have a discussion with your child's teacher regarding something significant, please make an appointment with them to allow the appropriate time to address any concerns properly.

Principal

## Book Week Incursion

On Friday we had a very special incursion 'Read You Can Orang-Utan' as part of our Book Week celebrations that was presented by School Performance Tours. It was so pleasing to see that all of the students from Pre-Primary to Year 6 thoroughly enjoyed the performance. Puppets, comedy and magic tricks kept the students very entertained and laughing the whole time!

## Drama Production – Tickets on sale now

It's only 2 weeks until the combined Drama and Circus Production of "The Magic Fishing Line". Since combining our two companies things are really starting to fall into place and we are all very excited about our up and coming production on Thursday 14<sup>th</sup> September. Students will have the opportunity to see the show during the day but parents and friends may come to the special evening show at 7pm. Tickets are available at \$2.00 each. Please place money in an envelope and drop it into the box with the Magic Fishing Line on it in the office. Your tickets will then be delivered to your child's class. Looking forward to seeing you all there!

## Book Fair

Our annual Book Fair was a great success with just over \$4,000 worth of sales. We would like to say a big thank you to all the Parents, Teachers and Student Councillors that volunteered their time in the library during book fair. Karen and I appreciated your time, we could not have done it without you.

The competitions in the Library were a great success and a big congratulations to all the competition winners and thank you for taking part.

## Swimming Lessons

Swimming Lessons will be run during **Week 1 and 2 of Fourth term this year**. Costs will be **\$42 per child** (pool entry and bus fare) Lessons are free.

Please make sure when making payment that you have filled out the envelope correctly and return it to the office before the 15<sup>th</sup> September.

## Technology and Enterprise Day

All of our students from Kindergarten to Year 6 have been very busy designing and making items to sell. There will also be fantastic entertainment for you on the day. The date is **Friday 27<sup>th</sup> October** at 1pm. Please save the date so you are able to come along. The children are always very excited to share the day with their Parents and Grandparents.

## Hampton Park Helping Hands

This week we are looking at games from around the world, some of the games we have found are keeper of the fire, frog friends and semut, orang, Gajah. These games are very similar to some well known games that many children have played at one time or another.

We are also going to be looking at healthy eating and how we can make better choices for afternoon tea. We are starting by getting to know the traffic light system and making a collage of foods and where they fit, green, red or yellow. Children will be encouraged to make choices from the green and yellow sections when planning future menus. Along with this we are going to develop a children's recipe book with all of our favourite recipes in it. Do you have any fantastic recipes to share with us? We would love to have some different ideas that are yummy but nutritious.

### Altone Park Junior Netball Inaugural Summer Season

Altone Park is looking to start up and build a Junior Netball competition for the upcoming Summer and future! We are currently looking for players, schools, clubs and teams to register in our competition to be a part of our inaugural season.

Our competition is setup to help develop the skills of younger players, provide a fun environment for kids of all ages to enjoy themselves through physical exercise and create a competitive based competition for older age groups to further develop their already existing skills.

We are really excited to introducing this competition as well bringing the game of netball to children of all ages! A Flyer is attached with this newsletter.
