Dear Parents, Students and Staff

It was great to see so many students and their families here at Hampton Park PS for our open night last Friday. Walking around the school and speaking to staff, it was clear that the event was well attended. Classrooms looked fantastic and showcased some of the learning that has already occurred in the first few weeks of school. I thank our staff who went above and beyond to provide information and examples in their classrooms. As mentioned in the lead up to the Open Night, if you have any concerns or would like an update on how your child has settled in to their new class and year level, please make contact with your child's teacher to make an appropriate time to discuss.

Important Dates

27 Feb	P & C AGM
3 Mar	Yr 6's Science @ Hampton SHS
6 Mar	Labour Day Holiday

Feedback from students indicated that the P&C disco was a huge success. There were many P&C members and volunteers who ensured everyone was fed and entertained on the night, which is another great example of how the P&C support the school.

Our new basketball and netball courts are being well utilised by students at break times and during fitness and physical education lessons. To celebrate the facility we will be having an official opening of the courts later this term which will feature a Staff v Students and Staff v Parents fixture. More details will be provided soon.

Our School Board meeting on the Open Night resulted in the membership being expanded, with a decision made on the night to offer all four parent nominees a position on the board for the next 2 - 3 years. Mr Clint Hammond will continue as the Board Chairperson through to the beginning of 2018. The combination of new faces and experienced board members bodes well for the year ahead. A full list of the School Board is provided below.

Now in the fourth week of the school year classroom routines are well established and in my visits around I've been impressed at the engagement levels of students in their learning activities. With a long year ahead for students and many challenges to overcome, this positive start is an important contributor to having success in the various areas of school.

Regards,

Mr Phil Springett – Principal

2017 School Board

Chairperson	Clint Hammond
Principal	Phil Springett
Staff Member	Ben Ker
Staff Member	Angela Falco
Staff Member	Kirsty Crayden
Parent Representative	Linda Lawrance
Parent Representative	Xavier Teo
Parent Representative	Claudio Capozzi

Community Representative	Alan Radford
Board Secretary	Lana Viska

P&C AGM

The P&C AGM will be on Monday 27th February at 7:00pm in the staffroom. There are some positions that need to be filled, and we always love new ideas. Come along and be a part of making positive changes in your school.

Project Edge & Coder Dojo @ Hampton SHS

Please see the flyers in the Community News outlining two after school opportunities being offered to year 4 - 6 students. Application forms are available from the office.

Recycling News

Once again every class will be doing their bit to help the environment by reducing the amount of things we send to landfill. We encourage everyone to collect the items listed below, and send them to the appropriate classrooms. Your child will be rewarded with faction points for their effort. Thank you for your support in this challenge and remember *'together we can make a difference!'*
Glynis Cardy

Class	ITEM TO RECYCLE	WHERE/HOWTO BE RECYCLED OR REUSED

Hampton Park Helping Hands

Spaces are starting to fill up quickly so if you need care please come and see us for more information. Afternoons are also starting to get busy however we still have plenty of space most days. Please check our availability poster outside our room.

We will be selling cupcakes again on Harmony day so start saving your change Food will be a gold coin donation or silver coins equalling the value of a gold coin. All funds raised will again be donated to Telethon. This stall was such a success last year and we are excited to be able to join in the fun again. Please come down on Harmony day and support us.

We offer a homework club every day to assist children with completing their daily reading, spelling and maths. Please book in now if you would like us to assist your children with their homework.
