Issue 40 – 14<sup>th</sup> December 2016

## Dear Parents, Students and Staff

Well here we are at the end of another hectic year. This is my last newsletter as I will be commencing as Principal of Arbor Grove in 2017. I would like to express my deepest gratitude to the Hampton community (staff, parents and students) for their support during the last 5 years. I will miss you all.

Congratulations to Mr Ker, Mr Goddard, Miss Crayden and Miss Owsiak for organising an amazing graduation ceremony, video, slideshow and item. We were very lucky to have 2012 Olympic Gold Medallist, Katherine Downie as our guest speaker for the night who delivered a strong message of giving your all and not letting adversity get you down. The students loved getting their photo's wearing the gold medal! It was a great night and it was a pleasure to acknowledge the contribution of those leaving and reflect on their school memories. I would like to thank all the family and friends that attended the evening in support of the graduating class.

Our academic and behavioural standards continue to be high, as do our sporting and extra curricula achievements. I'm particularly pleased with the positive tone and atmosphere that has been evident during the year from all students and staff. This creates the best possible atmosphere for children to learn. The Year 6 student leaders are to be congratulated for setting the example on this.

The Presentation Assembly this morning allowed us to recognise the efforts of the students with awards for excellence and merit. Congratulations to all the winners. Thank you to the many parents who were able to attend. I would like to thank parents for supporting the event, as well as Mrs De Jonk for her organisation.

I would like to take this opportunity to thank the P&C for their tireless work which benefits the students of this school. I would also like to thank the School Board for the leadership and ongoing support they have provided to the school.

Finally I would like to acknowledge the job of all the Hampton staff. Not just our excellent teaching staff, but also our education assistants, library and office staff. It has been a pleasure to lead this staff.

As announced at the Presentation Assembly, Mr Phil Springett will be Principal of Hampton Park Primary in 2017. I wish Phil and the school community and staff all the best for a successful 2017.

Have a great Christmas break and I look forward to seeing you tomorrow at our Annual Talent Show (details below).

### Underpass open all hours until February 2017

The access path and underpass gates are currently open all hours to provide alternative access due to the closure of the shared use paths along Morley Drive around Tonkin Highway. The shared path closures are needed to ensure the safety of pedestrians and cyclists during construction of the Morley Drive roundabout and bridge works.

In mid-January, a new temporary intersection will open at Morley Drive. By Week 3 of Term 1, 2017, a two-metre-wide shared path alongside Morley Drive will open for pedestrians and cyclists to cross Tonkin Highway. At this time, the underpass opening hours will return to Monday to Friday, 7am-5pm.

To ensure your safety, please check the signage and follow any directions given by our staff at all times. Pedestrian routes are provided in the following map.

### Changed traffic conditions at Tonkin Highway/Morley Drive: mid-January to mid-late 2017

During the school holidays, there will be changes to the traffic arrangements at the Morley Drive /Tonkin Highway intersection to allow construction of the new interchange to commence. Traffic will be diverted onto a temporary alignment shown in green and blue on the following map.

The new interchange includes a large oval shaped roundabout at ground level that connects Morley Drive with a raised Tonkin Highway. Tonkin Highway will pass over the top of Morley Drive.

Please also note there are changes planned for Benara Road at Tonkin Highway from late-January 2017 – see [www.northlinkwa.com.au](http://www.northlinkwa.com.au) for more information.
